

## Scholarship Application Form South East Metro Amateur Radio Club (SEMARC)

This \$1000.00 scholarship is being offered by the South East Metro Amateur Radio Club in support of a high school senior interested in amateur radio and a career path in a field of study at a two- or four-year technical school, college or university. You are asked to provide the information listed below as part of your application; if we do not have all this information as requested, we will not be able to process your application. This completed application must be turned into your high school counselor by the first Monday in May, in order to be considered. If applicant is being home schooled within a selected district the application must be submitted to the SEMARC Scholarship Committee, 1655 68th Street W., Inver Grove Heights, MN 55077-2222 within the same time frame. Thank you for your interest.

### **Basic Requirements:**

- Must be a licensed amateur radio operator of any class (Technician, General or Extra)
- Must have participated in some amateur radio activities
- Must submit his/her latest GPA with application
- Selected candidates must attend an interview if requested to do so.
- The selected candidate must provide proof of full-time enrollment in a two- or four-year technical school, college or university before receiving scholarship funds.

The final selection is at the sole discretion of the SEMARC scholarship committee.

### Identifying Information:
